DAY 02: NEGAMBO – SIGRIYA (150 KMS – 04 HRS)

After breakfast, check out from the hotel and leave for Sigriya by surface. Arrive at Sigriya and check in at the hotel.

Afternoon, visit Sigriya Rock Fortress. Sigriya is dominated by a massive column of rock nearly 200 meters high. According to the ancient Sri Lankan chronicle the Culavamsa – the site was selected by King Kasyapa (477 – 495 AD) for his new capital. He built his palace on the top of this rock and decorated its sides with colourful frescoes. On a small plateau about halfway up the side of this rock he built a gateway in the form of an enormous lion. The name of this place is derived from this structure —Sihāgiri, the Lion Rock. The capital and the royal palace were abandoned after the king's death. It was used as a Buddhist monastery until the 14th century.

Sigriya today is a UNESCO listed World Heritage Site. It is one of the best-preserved examples of ancient urban planning.

It is the most visited historic site in Sri Lanka. King Kasyapa had reverted his fortress to an ecological wonder by having Royal Pleasure Gardens, Water Gardens, Fountain Gardens and Boulder Gardens made inside the inner city as well as at the palace premises on the Rock summit. Overnight stay at the hotel.

DAY 03: SIGRIYA

After breakfast, day excursion of Polonnaruwa – 60 kms away from Sigriya.

Polonnaruwa was a great city in Sri Lanka which came into prominence during its' brief period of 2 Centuries of Sri Lankan history, being second only to the ancient city of Anuradhapura in ancient cultural heritage.

Polonnaruwa today is a showcase of the great ancient Sri Lankan architecture dating back to 12th Century AD, which was interwoven with many Buddhist monasteries and monuments which were built by the King Parakramabahu I. Later King Nis-sankamalla (1187-1196 AD) from Kalinga dynasty also had contributed to the development of many buildings and monuments at Polonnaruwa.

Afternoon, jeep safari through the Minneriya National Park, looking for elephants, deer, peacocks, boars, and many kinds of birds. The tank in the park is of historical importance, having been built by King Mahasen in third century AD.
